# IAGE Presidents Message

June, 2014

Dear Gynaecologists & Endoscopic Surgeons,

The field of Gynaecological Endoscopy & Minimal Access Surgery have changed from doubts to clarity, from controversy to conquering beyond the limits with unmatched safety.

Our IAGE team finished the first year with exceptional events and presence marked by ISGE the International Society for Gynecologic Endoscopy and also by AAGL the American Association of Gynecologic Laparoscopists.
