

LAUNCH OF AIIMS OPD TRANSFORMATION PROJECT

Dear

In our constant endeavor to make AIIMS patient friendly, we have introduced processes and systems that have significantly enhanced patient experience in OPD.

It is with great pleasure that I would like to invite you to the launch of the AIIMS OPD transformation project in the august presence of Shri J P Nadda, Hon'ble Union Minister of Health & Family Welfare and President of AIIMS along with Shri Piyush Goyal, Hon'ble Minister of State (Independent Charge) for Power, Coal, New and Renewable Energy and Mr. N Chandrasekaran, CEO and MD, Tata Consultancy Services (TCS).

Date: Friday 25th December 2015

Time: 2 PM to 4 PM

Venue: JLN Auditorium, AIIMS, New Delhi

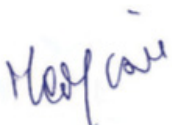

AIIMS OPD Transformation- a social initiative by TCS - is the first model project using innovative process techniques benefitting more than 3 million patients visiting AIIMS every year. Tata Consultancy Services has streamlined and optimized various processes and implemented technology enhancements reinforcing AIIMS as a beacon of world-class healthcare services. This was possible by keeping abreast of technological developments in this digital age and taking the benefit to all the sections of the society, with tremendous support from TCS.

The agenda is filled with interactive and invigorating sessions that will outline transformation journey and benefits for other large hospitals and healthcare fraternity.

I would be grateful if you could kindly confirm your presence by Wednesday 23 December.

We hope that you will join us in this effort to highlight the work done for the patient community and overall healthcare delivery.

Yours sincerely,

Prof. Mahesh C. Misra

MBBS, MS, FRCS (Glasg.) FACS, FAMS, FCLS, Hon. FRCS
