Workshop for AIIMS Faculty
on
“Giving Effective Feedback”

Feedback plays a very important role in improvement. When feedback is not received well, it may not be accepted and may not be applied to practice. This workshop will focus on how a passive listener can be changed into an activated learner who seeks feedback. Approaches that are most effective in giving feedback will be presented through an interactive workshop with opportunities for hands on practice.

Date: 20th August, 2015 (Thursday)

Time: 2:00 PM to 5:00 PM

Venue: CMET, AIIMS

Resource Faculty
