

## *Brief Sketch of Prof D M*

### *Vasudevan*

Professor Damodaran M Vasudevan was the Dean of the College of Medicine at Amrita Vishwa Vidyapeetham and the Principal of the Amrita Institute of Medical Sciences and Research, Kochi, India. After retirement on 31.12.2009, he still continues as the Head of PG Programs and Research, at Amrita Institute of Medical Sciences and Research, Kochi.

After completing his Bachelor of Medicine and Surgery, he received his MD in Biochemistry from All India Institute of Medical Sciences in 1971. Subsequently, he became a Fellow of the Royal College of Pathologists in 1994. He is an authority in allergy and immunology and has also worked extensively on cancer. After his retirement from govt service, he joined the Kasturba Medical College, Mangalore and the Sikkim Manipal Institute of Medical Sciences as the Dean in 2000.

Prof. Vasudevan, an elected fellow of the National Academy of Medical Sciences, received the prestigious *Dr. B. C. Roy Award* of the Medical Council of India from the hands of the then Hon'ble President of India in 1992 Dr Shankar dayal Sharma for excellence in the medical teaching profession. Dr Vasudevan will be fondly remembered by his students as a committed teacher, guide and scholar in Biochemistry. He has authored the "Textbook of Biochemistry for Medical Students", first edition was published in 1995, the eight edition in 2016 and the 9th edition is in the market at 2019. The book is now well known internationally. The Spanish and Slovak editions are already in print. The textbook is widely circulated in 23 countries of the world. Dr Vasudevan also authored textbooks for Dental students, paramedical students. He has guided 30 students for their PhD work and 45 MD students and published more than 230 papers in peer reviewed scientific journals.
