Good Morning Sir,

I admitted my son Master Ehsaas Dutt, 18 years/M, in the N.S-4 Unit-1 on 28.1.2015 for test and was discharged on 06.2.2015.

I need to mention that all the Staff Nurses there were very attentive, caring and I was wondering to see their dedication to their work.

I wish to convey my sincere thanks to Sr.Staff Nurse, who is in-charge of the unit and the other staff nurses.

Thanking You Sir,

Yours faithfully,
