D.O. No. 13/01/2020-DCH/PM&E/P-II
Dated the 1st August 2020

Aadarniya Harsh Vardhan ji,

The 7th of August was chosen as the National Handloom Day to commemorate the Swadeshi Movement which was launched on this day in 1905. The objective is to generate awareness about the handloom industry amongst public at large and its contribution to the socio-economic development.

Handloom is a symbol of our country's glorious cultural heritage and an important source of livelihood in the country. This sector is key to women's empowerment as over 70% of all handloom weavers and allied workers are women.

Hon'ble Prime Minister has urged that it should be an endeavour on part of all of us to use Indian Handloom and Handicrafts, and also communicate to other people about them. The more the world knows about the richness and diversity of these products, the greater our local weavers and artisans will benefit.

In line with the Hon'ble Prime Minister's exhortation, the social media campaign is being launched on 7th August 2020.

I appeal to you to showcase the handloom products of your constituency. Further, as the handloom community is under distress, I urge you to express your solidarity with the community by buying and wearing handloom fabric, and post pictures of the same on your social media accounts. This will motivate others to do the same.

You are requested to use your good offices to inspire people in your Ministry and constituency to embrace Indian handloom fabric.

Your support and encouragement will go a long way in instilling pride amongst our handloom weavers/workers, ensuring sustenance of our cultural heritage.

I look forward to your continued support and cooperation.

With regards,

Yours sincerely,

(Smriti Zubin Irani)

Dr. Harsh Vardhan,
Minister of Health & Family Welfare,
Science & Technology and
Earth Sciences.
