

OFFICE OF THE DIRECTOR
ALL INDIA INSTITUTE OF MEDICAL SCIENCES
Ansari Nagar, New Delhi-110029

F. No.40-30/2022-Estt.-I(DO)

Dated: 11th October, 2022

OFFICE MEMORANDUM

It is noted that the Department of Nephrology has only 13 Dialysis Stations, which are grossly inadequate to handle the volume of patients (Non-EHS & EHS) requiring maintenance dialysis for acute kidney injury, pre and post-operative complications, pre-renal transplant, etc.

A physical round of the 4th Floor of old RAK OPD - recently vacated by the Department of ENT - was conducted on 11th October, 2022, with Prof. S.K. Agarwal, HOD Nephrology and Prof. Nand Kumar, Professor of Psychiatry, Engineering Services Division and the undersigned to assess the logistics and feasibility of installing of additional dialysis stations therein.

After this it was decided that the 4th Floor old RAK OPD be allotted to the Department of Nephrology with a mandate to start at least 15 additional dialysis stations therein by 01st January 2023.

The space being utilized by Neuromodulation & TMS (Transcranial Magnetic Stimulation) facility, Department of Psychiatry, shall continue to be used by them and adjacent rooms (36 meters) are allotted for expansion of Centre of Advanced Research in Excellence (CARE) in Neuromodulation and Mental Health.

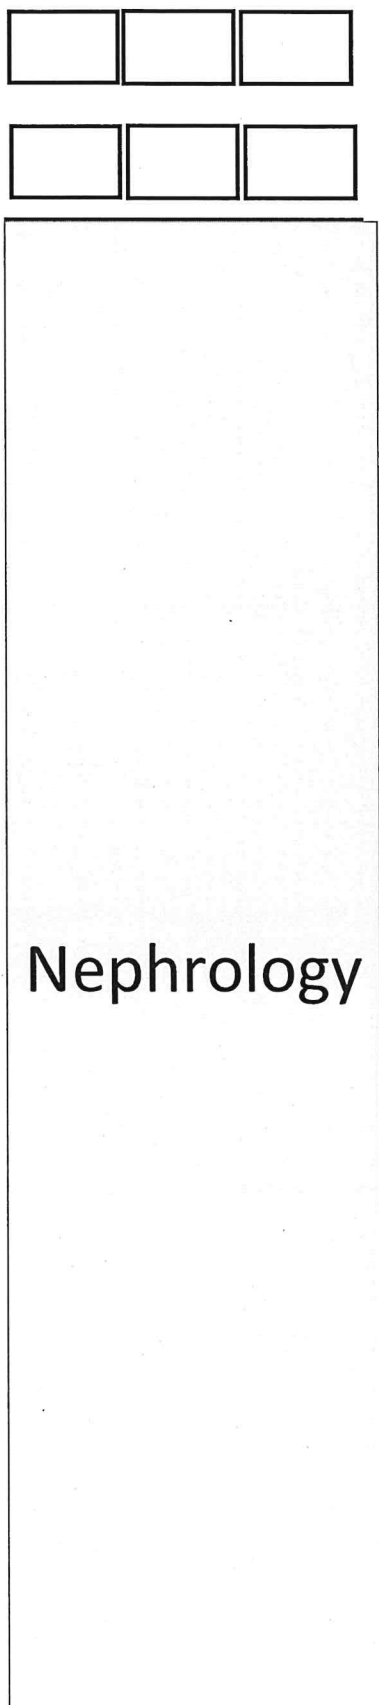

This is in the interest of patient care services.

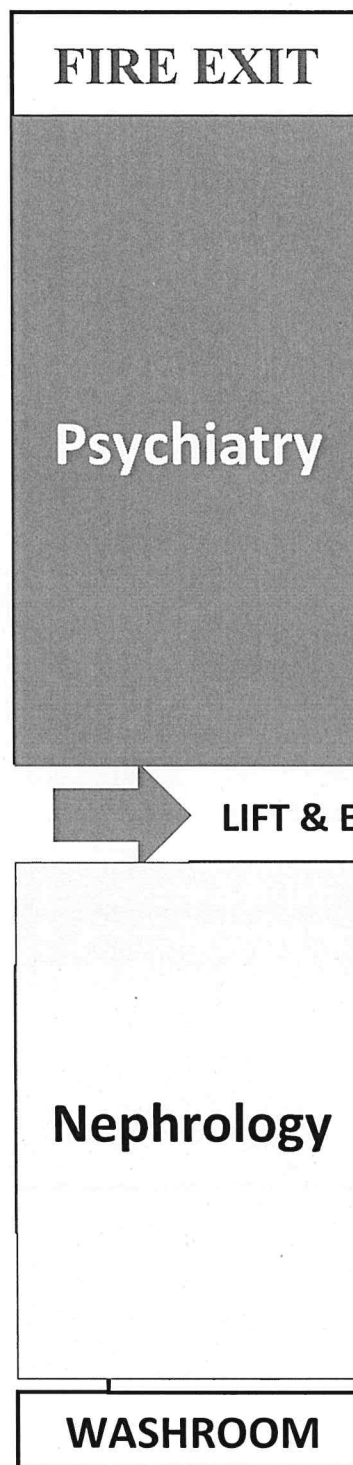

(Prof. M. Srinivas)
Director

Distribution:

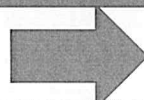

1. HOD, Department of Nephrology
