OFFICE MEMORANDUM

Sub: Creation of 'Nursing Cell' to coordinate establishment matters of the nursing cadre

The undersigned has been interacting with various staff at AIIMS including nursing officers, during which it has been noted that as the nursing cadre is a huge cadre with over 5000 staff strength, the establishment matters related to nursing cadre are handled across individual establishments of Main Hospital & various Centres. Due to this, there is often a variance in decision making across the Institute in various establishment matters related to nursing cadre which results in grievance amongst nursing staff who are the backbone of patient care.

Accordingly, it has been decided to create a dedicated '**Nursing Cell**' with Prof. Amit Lathwal, Prof. of Hospital Administration as Prof. Incharge (Nursing). He will be assisted by Chief Administrative Officer & Chief Nursing Officers in the day to day working of the said cell.

This 'Nursing Cell' will interface with various establishments across AIIMS New Delhi to ensure uniformity in establishment matters related to nursing cadre, coordinate inter establishment transfers of nursing staff, ensure uniformity in duties & rosters of nursing staff and shall also coordinate with recruitment cell & examination to ensure priority filling of any vacancies in the nursing cadre. The 'Nursing Cell' shall be the nodal point for addressing any grievances of the nursing cadre, if their respective establishments are not able to resolve the same.
