No. F.79/COVID-19/2021-Estt.(H.) ::P-04/N::

Dated: 09.03.2021

Subject: Provision of walk-in registration for COVID-19 vaccination (COVAXIN) for health care workers at AIIMS-reg.

As you are aware COVID-19 vaccination is being undertaken at the New RAK OPD 8th floor EHS facility. Initially the registration of names in the CoWin portal for COVID-19 vaccination of healthcare workers was centrally managed by the Ministry of Health & Family Welfare and it had been observed some HCWs had not been populated on the list. The updating of the same in the CoWin portal was delayed as at that time AIIMS vaccination facility did not have the admin. rights to update the names of the healthcare workers in the CoWin portal.

With the launch of the second phase of vaccination w.e.f. 1st March, 2021 and the updation of the CoWin portal the registration of healthcare workers at AIIMS can be undertaken onsite after verification of AIIMS identity card/ Outsourced vendors identity card.

In this regards, it is hereby informed that from now onwards, all health care workers irrespective of their registration status can come for COVID-19 vaccination as walk-in with AIIMS identity card/ Outsourced vendors identity card at the New RAK OPD 8th floor EHS facility.

It is requested to kindly disseminate this information to all cadre under you or within your association.
