**NOTE:-**

1. Package charges include the cost of consumable/disposables and medicines only. Hospital services are free.
2. Charges for ECMO, MICS, Centrifugal pump, Glue, Cell Saver, NIRS, RIS, Surgical Hemostats, Cardiac output catheters, Bovine pericardial patch, Homograft are extra. The actual cost of these items will be circulated from time to time.
3. The actual cost of valves, conduits, grafts, repair rings, stent graft will be circulated from time to time.
4. Charges indicated in column 'E' include room rent, Diet, admission, investigation charges, Blood Bank, ICU/CCU charges in Private Ward only.
  - (i) In case the patient stays in private ward beyond the period indicated, the additional charges (as applicable) would be recovered. Wherever surgeries/procedures are not carried out after admission of patient in private ward, the charges would be recovered as per actual.
5. A package charge for private ward does not include room rent, diet charges, investigation, ICU and other incremental charges.
6. The above in column 'E' charges are for Private Ward, (semi deluxe room) i.e. 'B' class room. In case the patient is admitted in deluxe room ('A' class), additional charges i.e. difference in room tariff (@ Rs. 1000 per day or as applicable) would be recovered/levied.
7. Patients not covered under these package charges, will be charged as per actual expenditure.
8. The receipts/revenue generated towards room rent, diet, admission, investigation and allied charges etc indicated in column 'E' above shall be credited/transferred to 'CNC A/C' under 'CTC head/funds' in each case.
9. Patient, who are transferred/shifted from General Ward to Private Ward after surgery, will be treated as Private Ward Patients. All the services provided to the patient will be charged as per Private Ward package rate.
