Sub: Price Justification for New Cobalt Source Re-load for Gamma Knife Perfexion
Ref: Our offer no 2018-212859-RS dated 25-04-2018 for cobalt source re-load for Perfexion Gamma Knife

Dear Sir,

This is with reference to the above subject, we are attaching the PO Copy from PGIMER, Chandigarh dated 25/05/2016 for source re-load for Gamma Knife Perfexion for price Justification as requested by you.

We would like to bring it you notice that the attached PO from PGIMER, Chandigarh DOES NOT INCLUDE Civil works and modification work required at the site which is included in the above reference quote for re-load submitted to AIIMS, New Delhi.

As you are aware that Cobalt source needs to be handled only by the authorized person and with the special equipment and tools. Therefore, the replacement of the source requires the alteration of the Gamma Knife center which includes the dismantling of few of the walls, floor and false ceiling to create the space for the passages for the special tools required for the decommissioning and subsequent commissioning of New Cobalt source at your center.

Following steps and activities are involved for seamless execution of this long process of source re-loading over four to six weeks. Accordingly, our attached quote is inclusive of cost for following:

- Project planning
- New Cobalt Supply
- Rental of loading equipment and transportation casks for the Old Cobalt Supply and for the New Cobalt Supply including packing of the equipment.
- Transportation of the loading equipment to the Site
- Dismantling of the Leksell Gamma Knife®
- Dedicated & authorized manpower for supervision during unloading and loading
- Unloading of Old Cobalt Supply and loading of the Leksell Gamma Knife® with the New Cobalt Supply according to the reloading procedure.
- Inspection and cleaning of the Leksell Gamma Knife® before loading
- Acceptance Test after reloading with New Cobalt supply.
- Transportation of the loading equipment and the Old Cobalt Supply from the Site
- Disposal of the of Old Cobalt Supply at a licensed facility

ELEKTA INSTRUMENT AB, P.O. BOX 7593, KUNGSTENSGATAN 18 STOCKHOLM-10393, SWEDEN
TEL +46 8 587 25400 Reg. No.: 556492-0949

- Civil work to refurbish site with Alteration, modifications and repair of the Gamma Knife Center (as per the enclosed Scope of supply)
- Safe closure of site/facility to restrict public movement and access

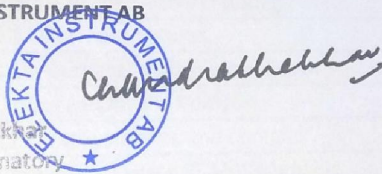

We would also like to bring it to your kind notice that the price of cobalt source has increased by an average of 12-15 % over last two years in the international market which is factored in the above Ref. quote for Source reload submitted to AIIMS – New Delhi.

We hope you find our price competitive & justifiable in respect to above activities, civil work & refurbishing, special tools & manpower involved in the process of re-loading new source at the site. We look forward to receiving your valuable order at the earliest.

Thanking you and assuring you our best service always.

Yours Truly,
For ELEKTA INSTRUMENT AB
