Dear customer,

MLPA is a key technology around the world for detecting copy number changes and it is our aim to supply you with high quality SALSA MLPA products.

Our last price increase was four years ago in 2015. Unfortunately, the manufacturing and overhead costs of SALSA MLPA products are increasing significantly. Due to these increased costs, we will have to increase the price of our products. We have endeavoured to keep the price changes as minimal as possible. Shipping/handling costs will remain unchanged.

The price changes will take effect on 1st January, 2019. The price of SALSA MLPA probemix and SALSA MLPA EK1 reagent kit, both for 100 reactions, will be increased in 2019 from € 948 to € 972 (+ 2,5 %) and from € 294 to € 300 (+ 2%), respectively.

Please find a partial price list for 2019 on the next page. The complete list will soon be available on www.mlpa.com.

If you have any questions, please do not hesitate to contact us at order@mlpa.com.

Yours sincerely,

Petra G. C. van Os, MSc
