

Subject: uploading of documents on AIIMS website for procurement of items on proprietary items.

Dear Mr Arvind,

The department is in requirement of connector tubing for administration of contrast agent and saline for the existing Medrad Solaris pressure injector. System in the department of Neuroradiology. The required item should be from the same manufacturer.

Item required

1. Length 96" (244cm) or more low pressure MR compatible connector tube with 'T' connecting from the syringes to the butterfly valve (needle) for use with the available Medrad Solaris Pressure Injector (SSIT 96 VLD)

Specifications

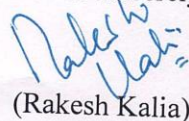

1. Should withstand the pressure of the flow and compatible with the flow settings of the injector.
2. Should comply with CE and FDA guidelines and submit a copy of their approval.
3. Should not produce any RF heating
4. There should be no leakage during loading and infusion.

In this regard Mex India has submitted a quotation for supply of the items on proprietary basis which is enclosed herewith. The rates quoted by the firm are valid for one year. I request you to do the needful for uploading the above requirement in the AIIMS website, for a period of 15 days so that any vendor who has objections in the above said procurement may submit the same during the period.

The above mentioned item is required on urgent basis, as the stocks is nil, its first time purchase.

Thanking you,

Yours sincerely

(Rakesh Kalia)
